COUNCIL REGULATION (EEC) No 1582/79

of 24 July 1979

fixing the amounts of aid granted for seeds for the 1980/81 and 1981/82 marketing years

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds (1), as last amended by Regulation (EEC) No 234/79 (2), and in particular Article 3 (3) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament (3),

Having regard to the opinion of the Economic and Social Committee (4),

Whereas the market situation within the Community and the foreseeable market trends with regard to the seeds which are listed in the Annex to Regulation (EEC) No 2358/71 and which will be marketed during the 1980/81 and 1981/82 marketing years do not give an assurance of fair returns for the producer; whereas part of the production costs should be offset by aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that, when the aid is being fixed, account must be taken of, on the one hand, the need to ensure a balance between the volume of production required in the Community and the possible outlets for that production and, on the other hand, the price of the products concerned on external markets,

HAS ADOPTED THIS REGULATION:

Sole Article

For the 1980/81 and 1981/82 marketing years, the aid granted for seeds provided for in Article 3 of Regulation (EEC) No 2358/71 shall be as shown in the Annex hereto.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 July 1979.

For the Council

The President
