COMMISSION REGULATION (EEC) No 1595/79

of 26 July 1979

fixing the components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 590/79 (2),

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed (3), as last amended by Regulation (EEC) No 852/78 (4), and in particular Article 2 (2) thereof,

Whereas, pursuant to Council Regulation (EEC) No 878/77 of 26 April 1977 on the exchange rates to be applied in agriculture (5), as last amended by Regulation (EEC) No 1266/79 (6), new representative rates are applicable with effect from 1 July 1979 for oil seeds;

Whereas, on 22 June 1979, the Council published its decision to adapt the representative rates; whereas the technical operation of the differential amounts system could cause unjustified prejudice to operators who fix the aid or export refunds in advance in a country with a depreciated currency; whereas measures should accordingly be taken for aid and refund certificates fixed in advance during the period 22 to 30 June 1979 for interested parties who so request;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

For the purpose of calculating the corrective amounts to be applied between 22 and 30 June 1979 to the target price, the subsidy and the refund, the coefficients given in the Annex hereto shall, at the request of the party concerned, be applied during the said period in place of those figures shown in the Regulations fixing or amending the components to be used to calculate the differential amounts for colza and rape seed applicable for the period in question, provided that the seeds are placed under control at the oil mills or exported after 30 June 1979.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 26 July 1979.

For the Commission

Finn GUNDELACH

Vice-President
