COUNCIL REGULATION (EEC) No 1639/79

of 24 July 1979

amending Regulation (EEC) No 516/77 on the common organization of the market in products processed from fruit and vegetables

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables (1), as amended by Regulation (EEC) No 1152/78 (2), and in particular the third subparagraph of Article 3a (1) and the first subparagraph of Article 10 (3) thereof,

Having regard to the proposal from the Commission,

Whereas Article 3a of Regulation (EEC) No 516/77 introduced a system of production aid for certain products processed from fruit and vegetables and listed in Annex Ia to that Regulation; whereas the object of the said aid, which is based on the difference between Community production prices and those in non-member countries, is to enable Community products to be sold at prices which compete with those charged by the major non-member producing countries;

Whereas the situation encountered in respect of the products listed in Annex Ia to Regulation (EEC) No 516/77 is also encountered in respect of certain other products which are of particular importance in the Community's Mediterranean regions; whereas the system of production aid referred to above should therefore be extended to the said products by including them in that Annex,
