COMMISSION REGULATION (EEC) No 1988/79

of 7 September 1979

making imports into Italy of yarn of synthetic textile fibres originating in Taiwan subject to quantitative limitation

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 3020/77 of 31 December 1977 on the arrangements for imports of certain textile products originating in Taiwan (1), and in particular Article 3 thereof,

Having regard to Council Regulation (EEC) No 255/78 of 7 February 1978 maintaining the arrangements for importation into the Community of textile products originating in Taiwan (2),

Whereas quantitative limits have already been established between the Community and certain third countries in respect of yarn of synthetic textile fibres;

Whereas since 1 January 1979 imports into Italy of the product in question, originating in Taiwan, have increased sharply and substantially;

Whereas rapid growth of imports of synthetic fibre yarns originating in Taiwan could cause serious damage to Community producers;

Whereas Commission Regulation (EEC) No 3020/77 introduced autonomous arrangements for imports of textile products originating in Taiwan; whereas Article 3 of that Regulation lays down the conditions under which new quantitative limits may be fixed;

Whereas imports of yarn of synthetic textile fibres originating in Taiwan have far exceeded the percentages set by Article 3 of Regulation (EEC) No 3020/77;

Whereas a quantitative limit should therefore be fixed for the period 1 January 1979 to 31 December 1982 for imports of yarn of synthetic textile fibres falling within category 41 and originating in Taiwan,

HAS ADOPTED THIS REGULATION:

Article 1
