COMMISSION REGULATION (EEC) No 2259/79
of 12 October 1979
fixing the sluice-gate prices and levies for pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 1423/78 (2), and in particular Article 8 and 12 (1) thereof,

Whereas sluice-gate prices for pig carcases and for the other products specified in Article 1 of Council Regulation (EEC) No 2766/75 of 29 October 1975 establishing the list of products for which sluice-gate prices are to be fixed and laying down the rules for fixing the sluice-gate prices for pig carcases (3), as last amended by Regulation (EEC) No 772/79 (4), and levies for the products specified in Article 1 (1) of Regulation (EEC) No 2759/75, must be fixed in advance for each quarter in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 1590/79 of 26 July 1979 fixing the levies and sluice-gate prices on pigmeat (5);

Whereas, since sluice-gate prices and levies for pigmeat were last fixed by Regulation (EEC) No 1590/79 for the period 1 August to 31 October 1979, they must be fixed anew for the period 1 November 1979 to 31 January 1980; whereas such prices and levies should in principle be fixed by reference to feed grain prices for the period 1 May to 30 September 1979;

Whereas, when the sluice-gate price applicable from 1 November, 1 February and 1 May is being fixed, trends in world market prices for feed grain are to be taken into account only if the value of the quantity of feed grain required varies by at least a specified minimum in relation to that used in calculating the sluice-gate price for the preceding quarter; whereas this minimum was fixed by Regulation (EEC) No 2766/75 at 3 %;

Whereas the value of the quantity of feed grain varies by more than 3 % from that used for the preceding quarter; whereas trends in world market prices for feed grain must therefore be taken into account when fixing sluice-gate prices for the period 1 November 1979 to 31 January 1980;

Whereas, when the levies applicable from 1 November, 1 February and 1 May are being fixed, trends in world market prices for feed grain should be taken into account only if at the same time a new sluice-gate price is being fixed;

Whereas, since a new sluice-gate price is to be fixed, trends in world market prices for feed grain must be taken into account in fixing the levies;

Whereas, in the case of products falling within any of subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A or 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levies should be limited to the amounts resulting from that binding;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

For the period 1 November 1979 to 31 January 1980, the sluice-gate prices provided for in Article 12 of Regulation (EEC) No 2759/75 for the products specified in Article 1 of Regulation (EEC) No 2766/75 and the levies provided for in Article 8 of Regulation (EEC) No 2759/75 for the products specified in Article 1 (1) of that Regulation shall be as shown in the Annex hereto.

2. Provided that, in the case of products falling within any of subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A or 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levy shall not exceed the amount resulting from that binding.
