of 19 October 1979

suspending the granting of special aid for skimmed-milk powder intended as feed for animals other than young calves under Regulation (EEC) No 1844/77

Whereas special measures were taken to promote the disposal of skimmed-milk powder by its use in feed for animals other than young calves in order to deal with the market situation in that product which was marked by considerable stocks and few outlets; whereas, among these measures, Commission Regulation (EEC) No 1844/77 of 10 August 1977 (3), as last amended by Regulation (EEC) No 1726/79 (4), provided for the granting by tender of special aid for skimmed-milk powder intended as feed for animals other than young calves;

Whereas, in view of the drop in public stocks of skimmed-milk powder and of the general situation at the moment on the market for fresh skimmed-milk powder which is showing a certain firming of prices, application of Regulation (EEC) No 1844/77 should be suspended until further notice;

Whereas the Management Committee for Milk and Milk Products has not delivered an opinion within the time limit set by its chairman,
