of 14 November 1979

Having regard to Council Regulation (EEC) No 1195/79 of 12 June 1979 opening, allocating and providing for the administration of Community tariff preferences for textile products originating in developing countries and territories [1], and in particular Article 4 thereof,

Whereas Article 2 (1) and (2) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling which is indicated, for each of the products listed under (a) in column 5 of Annex B thereto; whereas only the products originating in the countries and territories listed in Annex D thereto, other than those specified under (b) in column 4 of Annex B, in respect of the corresponding products, may be charged against that ceiling; whereas Article 3 (1) of that Regulation provides that the levying of customs duties may be re-established any time once the Community ceiling has been reached;

Whereas, in respect of woven fabrics of regenerated man-made fibres, falling within subheading 56.07 B, the ceiling, calculated as indicated above, should be 254·8 tonnes; whereas on 2 November 1979 the amounts of imports into the Community of the products in question, originating in countries covered by preferential tariff arrangements, reached that ceiling; whereas, bearing in mind the objectives of Regulation (EEC) No 1195/79 which provides that the ceiling should not be exceeded, customs duties should be re-established in respect of the products in question,
