COMMISSION REGULATION (EEC) No 280/79

of 14 February 1979

laying down conditions for invitations to tender for colza and rape seed held by the Danish intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 1562/78 (2), and in particular Article 26 (3) thereof,

Whereas during the 1978/79 marketing year the Danish intervention agency bought in certain quantities of colza and rape seed pursuant to Article 26 of Regulation No 136/66/EEC;

Whereas Commission Regulation (EEC) No 189/68 (3), as last amended by Regulation (EEC) No 1687/76 (4), laid down the conditions for sale by tender on the Community market of oil seeds held by intervention agencies; whereas, in view of the present situation of the market for oil seeds in the Community, it is unlikely that the quantities held by the Danish intervention agency can be sold in accordance with the price conditions laid down in Article 5 of Regulation (EEC) No 189/68; whereas, therefore, special measures must be taken to dispose of these oilseeds;

Whereas colza and rape seed can at present be marketed in the Community at a price which accords more closely with the actual market situation than the price fixed in accordance with the said Article 5;

Whereas, in order to ensure favourable selling conditions, the seeds should be put up for sale in lots;

Whereas a security should be provided to ensure the observance of the obligations involved in the submission of a tender; whereas, moreover, that security should be such as to prevent the seeds for which a tender is accepted from being offered for intervention a second time; whereas the security should therefore be forfeited unless the successful tenderer provides proof that the seeds have been placed under control at an oil mill pursuant to Article 2 of Council Regulation (EEC) No 2114/71 of 28 September 1971 (5), as last amended by Regulation (EEC) No 851/78 (6), or have been exported;

Whereas the minimum selling price that most nearly corresponds to the actual market situation may be determined on the basis of the tenders received;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1
