COUNCIL REGULATION (EEC) No 2879/79

of 17 December 1979

supplementing Regulations (EEC) No 1347/78 and (EEC) No 1582/79 fixing, for the 1978/79, 1979/80, 1980/81 and 1981/82 marketing years respectively the amounts of aid granted for seeds

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds (1), as last amended by Regulation (EEC) No 2878/79 (2), and in particular Article 3 (3) thereof,

Having regard to the proposal from the Commission (3),

Having regard to the opinion of the European Parliament (4),

Having regard to the opinion of the Economic and Social Committee (5),

Whereas Regulation (EEC) No 2878/79 widens the scope of Regulation (EEC) No 2358/71 to cover rice for sowing falling within subheading 10.06 A of the Common Customs Tariff;

Whereas the present situation and probable future trend on the Community market for rice for sowing to be marketed during the 1979/80, 1980/81 and 1981/82 marketing years do not ensure fair returns for the producer; whereas part of the production costs should therefore be offset by the granting of aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that, when the aid is being fixed, account must be taken, on the one hand, of the need to ensure a balance between the volume of production required in the Community and of the possible outlets for that production, and on the other hand of the price of the product concerned on the external markets;

Whereas Regulation (EEC) No 2878/79 was adopted after the final dates for fixing the amount of the aid for the marketing years in question in accordance with the second subparagraph of Article 3 (1) of Regulation (EEC) No 2358/71; whereas a derogation from that provision should be provided for in order to allow producers to qualify for aid for the said marketing years;

Whereas this opportunity should be taken to express in ECU the amounts of aid fixed in units of account in the Annex to Regulation (EEC) No 1347/78 (6); whereas these new amounts are to be determined by applying the coefficient referred to in Article 1 of Council Regulation (EEC) No 652/79 of 29 March 1979 on the impact of the European Monetary System on the common agricultural policy (7), as amended by Regulation (EEC) No 1264/79 (8),

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1347/78 is hereby replaced by Annex I to this Regulation.

For rice for sowing, Regulation (EEC) No 1347/78 shall apply to seeds harvested in 1979.

Article 2

The Annex to Regulation (EEC) No 1582/79 is hereby replaced by Annex II to this Regulation.

Article 3

This Regulation shall enter into force on 1 January 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 17 December 1979.

For the Council

The President

S. BARRETT
