COMMISSION REGULATION (EEC) No 333/79

of 21 February 1979

amending Regulation (EEC) No 3005/78 on the distillation for the 1978/79 wine year of wines suitable for producing certain potable spirits obtained from wine with a registered designation of origin

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine (1), as last amended by Regulation (EEC) No 3065/78 (2), and in particular Article 6d (5) thereof,

Whereas Commission Regulation (EEC) No 3005/78 (3) decided that, for the 1978/79 wine year, wines suitable for producing certain potable spirits obtained from wine with a registered designation of origin may be distilled ; whereas Article 1 of this Regulation fixed the time limits for the submission of applications for approval and for the approval of contracts ; whereas these time limits, in view of the date of publication, were brought to the attention of interested parties at a date too close to the deadline to make such distillation possible ; whereas it is appropriate to defer these time limits ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION :
