of 4 April 1979

amending Regulation (EEC) No 3077/78 on the equivalence with Community certificates of attestations accompanying hops imported from non-member countries

Whereas Commission Regulation (EEC) No 3077/78 (3) recognized the equivalence with Community certificates of attestations accompanying hops imported from certain non-member countries and established a list of the bodies in these countries authorized to issue the attestations of equivalence ;

Whereas, since that time, Portugal has undertaken to comply with the requirements laid down for the marketing of hops and hop products and has authorized a body to issue attestations of equivalence ; whereas it is appropriate, therefore, to recognize these attestations as being equivalent with Community certificates and to allow into free circulation the products which they cover ; whereas it is necessary to supplement in this respect the Annex to Regulation (EEC) No 3077/78 ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,
