COMMISSION REGULATION (EEC) No 1346/80

of 30 May 1980

fixing the coefficients to be applied to production aid for tomato concentrates and prunes and to the minimum price for dried plums (prunes d'Ente)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables (1), as last amended by Regulation (EEC) No 2999/79 (2), and in particular Article 3c thereof,

Whereas for tomato concentrates the application of coefficients to be applied to the aid for a product with defined commercial characteristics has shown the need, in the case of the lowest concentrations, to fix coefficients more closely related to the dry extract content of the products concerned; whereas, on the other hand, provision can be made for simplifying the coefficients for the various forms of packing;

Whereas, because of the diversity of commercial size categories for prunes, the amount of production aid must be fixed for a product with defined commercial characteristics; whereas, therefore, coefficients to be applied to that amount should be fixed so as to take account of the differences in relation to size category; whereas, since the differences in size category depend on the basic product, the same coefficients should apply to the minimum producer price;

Whereas the Management Committee for Products Processed from Fruit and Vegetables has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1980/81 marketing year, the coefficients to be applied:

— to production aid for tomato concentrates shall be as shown in Annex I hereto,

— to production aid for prunes and to the minimum producer price shall be as shown in Annex II hereto.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 May 1980.

For the Commission

Finn GUNDELACH

Vice-President
