COMMISSION REGULATION (EEC) No 149/80

of 24 January 1980

amending Regulations (EEC) No 1527/73 and (EEC) No 2043/75 as regards the advance fixing of export refunds for poultrymeat and eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs [1], as amended by Regulation (EEC) No 368/76 [2], and in particular Article 15 thereof,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat [3], as amended by Regulation (EEC) No 369/76 [4], and in particular Articles 9 (3) and 15 thereof,

Whereas the recent trend of the market for eggs and poultrymeat has shown that the Commission needs to be better informed as regards in particular the quantities of poultrymeat products in respect of which applications for certificates for advance fixing of the refund have been submitted; whereas it is necessary, therefore, to amend Commission Regulation (EEC) No 1527/73 [5], as last amended by Regulation (EEC) No 1188/77 [6];

Whereas, in the light of experience gained in the advance fixing of the refund for certain poultrymeat products, advance fixing certificates applied for in respect of those products should not be issued until a period of five working days has elapsed, in order to allow time for the market situation to be better assessed and, if necessary, for appropriate measures to be taken with regard to the applications in question;

Whereas it is also necessary to know precisely the destination of poultrymeat products in respect of which applications for advance fixing certificates are submitted; whereas it is therefore necessary to amend Commission Regulation (EEC) No 2043/75 [7] accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:
