COMMISSION REGULATION (EEC) No 1893/80

of 16 July 1980

amending, as regards production refunds on starches, Regulation (EEC) No 1570/78 laying down detailed rules for the application of Regulation (EEC) No 2742/75

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1870/80 (2),

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (3), as last amended by Regulation (EEC) No 1871/80 (4),

Having regard to Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors (5), as last amended by Regulation (EEC) No 1877/80 (6), and in particular Article 8 thereof,

Whereas Article 11 of Regulation (EEC) No 2727/75 provides that a production refund may be granted for common wheat used in the Community for the manufacture of starch and for the manufacture of quellmehl intended for bread-making ; whereas Article 1 of Regulation (EEC) No 2742/75 determined the amount of the refund granted for such uses ;

Whereas common wheat starch and quellmehl intended for bread-making are generally produced from common wheat flour ; whereas the production refund is calculated on the basis of the quantity of common wheat necessary for processing into starch or quellmehl ; whereas it is therefore appropriate to fix a rate for the processing of common wheat into flour ; whereas it is accordingly necessary to amend Article 1 (3) of Commission Regulation (EEC) No 1570/78 (7) and to correct errors in certain of the different language versions of the said Regulation ; whereas these amendments must take effect retroactively from the date of application of Regulation (EEC) No 1570/78 ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

Paragraph 3 of Article 1 of Regulation (EEC) No 1570/78 shall be replaced by the following :

'3. When common wheat flour, to be used for the production of starch or quellmehl, is placed under official supervision, a conversion rate of 1·40 tonnes of common wheat to 1·00 tonnes of flour shall be applied.'

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply with effect from 22 July 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 July 1980.
