Whereas Regulation (EEC) No 564/80 [3], as amended by Regulation (EEC) No 1293/80 [4], by providing that certain table wine distillation operations should be carried out in two phases, set certain closing dates for the conclusion of delivery contracts under the second phase and for their approval by intervention agencies as well as for the course of distillation operations; whereas the delivery contracts concluded relate to a quantity which is still slightly lower than that needed to stabilize the market; whereas the said dates should therefore be deferred,
