Whereas the French intervention agency has stocks of beef bought-in pursuant to Commission Regulation (EEC) No 701/79 (3), as amended by Regulation (EEC) No 900/79 (4); whereas the characteristics of this meat are such that its sale for export should be permitted;

Whereas Article 2 (1) of Council Regulation (EEC) No 98/69 (5), as amended by Regulation (EEC) No 429/77 (6), provides that some of the meat held by intervention agencies may be disposed of for export, and that the selling prices of the meat may be fixed in advance; whereas it is appropriate to make use of this system of selling;

Whereas the provisions of Commission Regulation (EEC) No 2173/79 (7) as regards selling at a price fixed in advance should be complied with; whereas provision should be made for a waiver from the second subparagraph of Article 2 (2) of that Regulation, owing to the administrative difficulties which application of this rule raises in some Member States;

Whereas it is necessary to provide for lodging of a security sufficiently high to guarantee the export of this beef; whereas it is further necessary to amend Commission Regulation (EEC) No 1687/76 (8), as last amended by Regulation (EEC) No 1302/80 (9);
