COMMISSION REGULATION (EEC) No 2417/80

of 17 September 1980

on the arrangements for imports into the Benelux countries of under garments originating in Romania

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in certain third countries (1), as amended by Regulation (EEC) No 2174/80 (2), and in particular Articles 11 and 15 thereof,

Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions on which quantitative limitations may be established; whereas imports into the Benelux countries of under garments (category 30 A) originating in Romania have exceeded the level referred to in paragraph 3 of the said Article;

Whereas, in accordance with paragraph 5 of the said Article 11, Romania was notified on 27 June 1980 of a request for consultations; whereas, following these consultations it is desirable to make the products in question subject to quantitative limitation for the years 1980 to 1982;

Whereas paragraph 13 of the said Article 11 ensures that the quantitative limit is observed by means of a double-checking system in accordance with Annex V to the Regulation in question;

Whereas the products in question exported from Romania between 1 January 1980 and the date of entry into force of this Regulation must be set off against the quantitative limit for 1980;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:
