COMMISSION REGULATION (EEC) No 2476/80

of 25 September 1980

amending Community quantitative limits fixed for imports of certain textile products originating in certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in third countries (1), as last amended by Regulation (EEC) No 2174/80 (2), and in particular Article 9 (2) and Article 18 thereof,

Whereas, by Commission Regulation (EEC) No 3063/79 (3), quantitative limits agreed with third countries are shared between the Member States for 1980;

Whereas additional import requirements have emerged in certain Member States for textile products imported from certain third countries; whereas the quantitative limits fixed for the Community and the shares thereof allocated to those Member States are insufficient to meet fully the requirements in 1980;

Whereas it is therefore desirable to increase the quantitative limits for these products and the shares allocated to certain Member States;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The Community quantitative limits for textile products as originating in certain third countries and certain Member States' shares thereof, as fixed in Annex IV to Regulation (EEC) No 3059/78, are hereby amended for 1980 as laid down in the Annex.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 September 1980.
