COMMISSION REGULATION (EEC) No 2504/80

of 30 September 1980

amending for the sixth time Regulation (EEC) No 610/77 on the determination of prices of adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 2916/79 (2), and in particular Article 12 (7) and Article 25 thereof,

Whereas the changing trading conditions in respect of adult bovine animals in Denmark requires the replacement of the 'prima' quality by two new qualities named 'super' and 'extra' in the list of categories 'Ungtyre of less than 500 kilograms'; whereas, as a result of that replacement, the wording of the list of categories, qualities and coefficients in that Member State should be amended and, accordingly, Annex II to Commission Regulation (EEC) No 610/77 (3), as last amended by Regulation (EEC) No 1624/80 (4), should be adapted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,
