Whereas the appropriations considered necessary for the application of Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed (3), as last amended by Regulation (EEC) No 1820/80 (4), and mentioned in Article 16 (3) of the said Regulation will, from 1 January 1981, be insufficient to cover the additional cost of applying the aforesaid Regulation in Greece;

Whereas these amounts must be adjusted, pursuant to Annex II, Chapter I, second part, point C. 1 and point E. 1 of the 1979 Act of Accession, to meet the increased requirements of agriculture in the Community, in order not to reduce the effect of the activities of the EAGGF, Guidance Section,
