COMMISSION REGULATION (EEC) No 382/80

of 18 February 1980

amending for the third time Regulation (EEC) No 1517/77 fixing the list of the various groups of hop varieties cultivated in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops (1), as last amended by Regulation (EEC) No 235/79 (2), and in particular Article 12 (8) thereof,

Whereas Commission Regulation (EEC) No 1517/77 (3), as amended by Regulation (EEC) No 1467/79 (4), divides these varieties into the groups 'aromatic hops', 'bitter hops' and 'others' according to commercial practice in the Community and world hop markets on the basis of the final uses of the hops in brewing and by reference to common characteristics, with particular emphasis on the content of bitter and aromatic substances;

Whereas examination of the variety Perle, hitherto classified in the third group 'others', and the use to which it is put in brewing have shown that this variety has a predominant aromatic characteristic; whereas the said variety should accordingly be transferred into the first group 'aromatic hops';

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1517/77 is hereby replaced by the Annex hereto.

Article 2

This Regulation shall apply as from the 1980 harvest.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 February 1980.

For the Commission
