COMMISSION REGULATION (EEC) No 591/80

of 11 March 1980

amending for the 12th time Regulation (EEC) No 2005/70 on the classification of vine varieties

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine [1], as last amended by Regulation (EEC) No 459/80 [2], and in particular Article 30 (4) thereof,

Whereas the classification of vine varieties permitted for cultivation in the Community was determined by Commission Regulation (EEC) No 2005/70 [3], as last amended by Regulation (EEC) No 1092/79 [4],

Whereas a Member State has changed the official appellation of a wine grapes variety which appears in the classification of recommended varieties ; whereas it is therefore necessary to enter the new name of the variety in the classification in respect of the relevant administrative units ;

Whereas the list of the local government areas from which have been excluded two vine varieties appearing temporarily in the classification of the varieties authorized for a German administrative unit has proved incomplete ; whereas the relevant provisions should therefore be corrected ;

Whereas it is appropriate to supplement the classification by adding certain varieties which have undergone an examination as to their suitability for cultivation and have been passed as satisfactory ; whereas, in accordance with the provisions of Article 11 (1) (b) of Council Regulation (EEC) No 347/79 of 5 February 1979 on general rules for the classification of vine varieties [5], those varieties may be authorized on a provisional basis in the case of certain French administrative units and in the case of one Italian administrative unit ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION :
