of 20 May 1981

reintroducing the levying of customs duties applicable to other clocks falling within subheading 91.04, originating in Hong Kong and benefiting from the tariff preferences provided for by Council Regulation (EEC) No 3322/80

Having regard to Council Regulation (EEC, Euratom) No 3308/80 of 16 December 1980 on the replacement of the European unit of account by the ECU in Community legal instruments [2],

Whereas, in pursuance of Articles 1 and 9 of that Regulation, suspension of customs duties shall be accorded to each of the countries or territories listed in Annex C, other than those listed in column 4 of Annex A, within the framework of the preferential tariff ceiling fixed in column 9 of Annex A;

Whereas, as provided for in Article 10 (1) of that Regulation, as soon as the individual ceilings in question are reached at Community level, the Commission, either acting on its own initiative or once a Member State has requested it to do so, shall reintroduce the levying of customs duties on imports of the products in question;
