COMMISSION REGULATION (EEC) No 1458/81

of 27 May 1981

amending for the eighth time Regulation (EEC) No 610/77 on the determination of prices of adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 on the common organization of the market in beef and veal [1], as last amended by the Act of Accession of Greece, and in particular Article 12 (7) and Article 25 thereof,

Whereas the information available on the trend in cattle numbers indicates that the coefficients used in calculating the price of adult bovine animals on the representative markets of the Community should be adjusted;

Whereas, because relatively few animals are brought to certain representative markets in Great Britain and Northern Ireland, these markets should be deleted from the list of United Kingdom representative markets and replaced by new ones;

Whereas Annex II to Commission Regulation (EEC) No 610/77 [2], as last amended by Regulation (EEC) No 3470/80 [3], should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
