COUNCIL REGULATION (EEC) No 1536/81

of 19 May 1981

amending, as a result of the accession of Greece, Regulation (EEC) No 1469/70 fixing the percentages and quantities of tobacco taken over by the intervention agencies and the percentage of Community tobacco production above which the procedure laid down in Article 13 of Regulation (EEC) No 727/70 applies

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 727/70 of 21 April 1970 on the common organization of the market in raw tobacco [1], as last amended by the 1979 Act of Accession, and in particular Article 13 (3) thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 1469/70 [2], as amended by Regulation (EEC) No 1580/79 [3], fixed the percentages and quantities of tobacco taken over by the intervention agencies and the percentage of the Community's tobacco production which activates the mechanism for management of the market in tobacco;

Whereas the Samsun variety has since been added to the list of tobacco varieties cultivated in the Community; whereas, when the prices and premiums for the 1981 crop were fixed, the Forchheimer Havanna II c variety, previously classified under serial No 1, was transferred to serial No 11 because of its great similarity to the Nostrano del Brenta variety; whereas the varieties cultivated in Greece have, since that country's accession, been added to the list as from the 1981 crop; whereas, accordingly, the percentages and quantities of tobacco taken over by the intervention agencies which activate the mechanism for management of the market in tobacco should be fixed for these new varieties, using the same criteria as on previous occasions;

Whereas it is advisable, for the varieties cultivated in the Community of Nine, to adjust the quantities of leaf tobacco referred to in order to take into account the three representative crop statistics,

HAS ADOPTED THIS REGULATION:

Article 1

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*
