COMMISSION REGULATION (EEC) No 1610/81

of 16 June 1981

fixing the adjustments to be made to monetary compensatory amounts fixed in advance for milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States (1), as last amended by Regulation (EEC) No 1523/80 (2), and in particular Article 6 thereof,

Whereas the first indent of Article 7 (2) of Commission Regulation (EEC) No 243/78 of 1 February 1978 providing for the advance fixing of monetary compensatory amounts (3), as amended by Regulation (EEC) No 1544/78 (4), provides for an optional adjustment to the monetary compensatory amount fixed in advance where the levy or refund is adjusted following a change in prices; whereas, pursuant to Article 2 (1) and (3) of Commission Regulation (EEC) No 1516/78 of 30 June 1978 on adjustments to monetary compensatory amounts fixed in advance and repealing Regulation (EEC) No 651/78 (5), such an adjustment to monetary compensatory amounts applicable in respect of milk products is to be made if adjustments to refunds fixed in advance take place following a change in prices expressed in ECU, while in respect of products not covered by Annex II to the Treaty no adjustment is provided for;

Whereas the refunds fixed in advance in the sector in question were adjusted by Commission Regulation (EEC) No 1609/81 (6); whereas the said adjustment was made in order to take account, in some degree, of the increase in intervention prices; whereas, for that reason, monetary compensatory amounts fixed in advance must be adjusted to the same extent; whereas, pursuant to Article 3 of Regulation (EEC) No 1516/78, the adjustment is also to be on the basis of both the price prevailing and the representative rate applicable at the time when customs export formalities are completed;

Whereas, for the sake of clarity, the amounts of the adjustment to be made to compensatory amounts should be fixed case by case; whereas, for the same reason, only the adjustments fixed in respect of the milk sector should be applied to milk products containing certain quantities of products belonging to other sectors;

Whereas Article 7 (1) of Regulation (EEC) No 243/78 has not been applied to milk products; whereas, therefore, it is not necessary to apply the provisions of Article 3 (2) of Regulation (EEC) No 1516/78;

Whereas the monetary compensatory amounts fixed in advance which are the subject of the present adjustment were fixed by Regulation (EEC) No 902/81 (7), as last amended by Regulation (EEC) No 1593/81 (8);

Whereas calculating the amount to be granted and the adjustment to be made pursuant to this Regulation may create difficulties; whereas the different steps to be performed should therefore be made clear;

Whereas the Management Committee for Milk and Milk Products has not delivered an an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. In the case of exports to non-member countries of products listed in the Annex to this Regulation for which the refund was fixed in advance prior to 1 April 1981 under an invitation to tender within the meaning of Article 43 of Regulation (EEC) No 3183/80 issued in an importing non-member country or by armed forces as specified in Article 10 (1) of Regulation (EEC) No 2044/75, the monetary

(2) OJ No L 152, 20. 6. 1980, p. 1.
(3) OJ No L 37, 7. 2. 1978, p. 5.
(4) OJ No L 182, 5. 7. 1978, p. 7.
(5) OJ No L 178, 1. 7. 1978, p. 63.
(6) See page 1 of this Official Journal.
(7) OJ No L 94, 6. 4. 1981, p. 3.
(8) OJ No L 158, 16. 6. 1981, p. 12.

compensatory amounts referred to in Part 5 of Annex I to Regulation (EEC) No 2140/79 and fixed in advance prior to the same date shall be adjusted by the amounts given in the Annex to this Regulation, provided that:

(a) the refund fixed in advance in respect of the product in question is adjusted in accordance with the provisions of Regulation (EEC) No 1609/81; and

(b) export takes place:

— from 6 April 1981 in respect of products falling within heading Nos 04.01 and 04.03 and subheadings 04.02 A II a) 1, 04.02 A II b) 1, 04.02 B I b) 1 aa) and 04.02 B I b) 2 aa), as well as cottage cheese and cream cheese falling within subheading 04.04 E I c) of the Common Customs Tariff,

— from 1 May 1981 in respect of the other products listed in the Annex.

2. In the case of exports fulfilling all the conditions set out in paragraph 1, with the exception of the condition that advance fixing of the refund must have taken place under an invitation to tender within the meaning indicated, the adjustment to the monetary compensatory amounts fixed in advance prior to 1 April 1981 shall be equal to the amounts given in the Annex multiplied by the coefficient 0·333. However, for exports from Member States where the monetary compensatory amount fixed in advance is to be granted and the amount of the adjustment set out in the Annex is negative, that coefficient shall be 1·333.

3. The operative date:

— for the advance fixing of the monetary compensatory amount, shall be the date on which the application for advance fixing was lodged within the meaning of Article 14 (1) of Regulation (EEC) No 3183/80 [1],

— for export, shall be the date on which the customs formalities referred to in Article 22 (1) (b) of Regulation (EEC) No 3183/80 are completed.

Article 2

In order to apply the adjustments given in the Annex:

— the refund fixed in advance in ECU shall be increased by the amount fixed by Regulation (EEC) No 1609/81,

— the result shall be multiplied by the monetary coefficient and then converted into national currency using the representative rate, the coefficient and rate being those which were fixed in advance at the time when the monetary compensatory amount was fixed in advance,

— the amount thus obtained shall be reduced or, where appropriate, increased by the monetary compensatory amount fixed in advance adjusted by the amount given in the Annex.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 June 1981.

For the Commission

The President

Gaston THORN

Notes

(3) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated multiplied by 100th of the weight of the lactic part contained in 100 kg of product. However, where whey and/or lactose have been added to the product the amount resulting from the foregoing calculation shall be:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of the product,

and then

— divided by the weight of the non-fat lactic part contained in 100 kg of the product.

(4) However, for butter covered by the measures provided for:

— in Regulation (EEC) No 1282/72 (OJ No L 142, 22. 6. 1972), the amount indicated shall be multiplied by the coefficient 0·46,

— in Regulation (EEC) No 1717/72 (OJ No L 181, 9. 8. 1972), the amount indicated shall be multiplied by the coefficient 0·46,

— in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the amount shall be multiplied by the coefficient 0·46,

— in Regulation (EEC) No 262/79 (OJ No L 41, 16. 2. 1979) and in Regulation (EEC) No 1468/79 (OJ No L 177, 14. 7. 1979), the amount shall be multiplied:

— by the coefficient 0·44 where the butter is to be used in formula A or formula C products,

— by the coefficient 0·62 where the butter is to be used in formula B products.

(6) With respect to cheese rinds and wastes, the adjustment amount applicable shall be that applicable to products falling within subheading 04.04 E I c) of the Common Customs Tariff, of a fat content, by weight, in the dry matter of 10% or more. Products unfit as such for human consumption shall be regarded as cheese wastes.

(7) Where some milk products contain powdered or granulated milk (excluding whey), the amount of adjustment shall be:

(8) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated. However, where whey and/or lactose have been added to the product, the amount indicated shall be:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of product,

and then

— divided by the weight of the non-fat lactic part contained in 100 kg of product.

(9) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount indicated. However, where whey and/or lactose have been added to the product, the basic amount shall be equal to the amount indicated:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of product,

and then

— divided by the weight of the non-fat part, contained in 100 kg of product.

(11) For cream covered by the measures provided for in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the monetary compensatory amount shall be multiplied by the coefficient 0·46.

N.B. For the calculation of fat content, non-milk fats are not to be taken into account.
