COMMISSION REGULATION (EEC) No 166/81

of 21 January 1981

amending Regulation (EEC) No 1579/70 laying down special conditions for the export of certain cheeses to Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by the Act of Accession of Greece [2], and in particular the first subparagraph of Article 17 (4) thereof,

Whereas footnote [3] to Annex IV to Commission Regulation (EEC) No 1579/70 [3], as last amended by Regulation (EEC) No 204/80 [4], contains the free-at-Spanish-frontier prices which must be observed for certain cheeses from the Community if they are to be subject to a fixed regulatory duty on their entry into Spain;

Whereas, following an increase in the price of its milk, Spain has had to increase its threshold prices for certain cheeses;

Whereas higher threshold prices mean that higher free-at-Spanish-frontier prices must be observed; whereas footnote [3] to Annex IV to Regulation (EEC) No 1579/70 must therefore be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
