COMMISSION REGULATION (EEC) No 1934/81

of 13 July 1981

re-establishing the levying of customs duties on equipment for parlour, table and funfair games for adults or children, falling within heading No 97.04 and originating in Singapore, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3322/80 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3322/80 of 16 December 1980 establishing a multiannual scheme of generalized tariff preferences and its application for 1981 in respect of certain industrial products originating in developing countries (1), and in particular Article 11 (2) thereof,

Having regard to Council Regulation (EEC, Euratom) No 3308/80 of 16 December 1980 on the replacement of the European unit of account by the ECU in Community legal instruments (2),

Whereas, in pursuance of Articles 1 and 9 of Regulation (EEC) No 3322/80 suspension of customs duties shall be accorded to each of the countries or territories listed in Annex C, other than those listed in column 4 of Annex A, within the framework of the preferential tariff ceiling fixed in column 9 of Annex A;

Whereas, as provided for in Article 11 of that Regulation, when the quantity of a single consignment imported into one Member State is such that the Community ceiling might be exceeded in that Member State, in view of the previous charges which it has made, that State shall be authorized to apply to the product in question, originating in the beneficiary country or territory, a system of deposits on the duties of that part of the consignment in excess of the Community ceiling; whereas, if the deposit is justified, the Commission shall, be means of a Regulation, re-establish the levying of customs duties at Community level, the duties paid in deposit not being repayable for that part of the consignment in excess of the Community ceiling in the Member State concerned;

Whereas, in the case of equipment for parlour, table and funfair games for adults or children, falling within heading No 97.04, the individual ceiling was fixed at 2 535 000 ECU; whereas, on 3 July 1981, imports of these products into Ireland, originating in Singapore reached, as provided for in Article 11, this ceiling; whereas that Member State has applied to the products in question the system of deposits on the duties of the part in excess thereof; whereas the deposit is justified and customs duties in respect of the products in question must therefore be re-established at Community level against Singapore,

HAS ADOPTED THIS REGULATION:

Article 1
