COMMISSION REGULATION (EEC) No 2269/81

of 4 August 1981

on arrangements for imports into France of certain textile products originating in the People's Republic of China

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3061/79 of 20 December 1979 on common rules for imports of certain textile products originating in China [1], as last amended by Regulation (EEC) No 1551/81 [2], and in particular Article 11 (4) and (5) thereof,

Whereas Article 11 of Regulation (EEC) No 3061/79 lays down the conditions under which quantitative limits may be established;

Whereas Commission Regulation (EEC) No 401/81 [3] set provisional quantitative limits on imports into France of certain textile products of Chinese origin pending the result of the consultations in progress;

Whereas on 2 and 23 April 1981 these consultations yielded a mutually acceptable result and it is therefore necessary to set the final quantitative limits for these products for the years 1981 to 1983 and to cancel the provisional quantitative limits;

Whereas the quantities of the products in question exported from China between 1 January 1981 and the date of entry into force of this Regulation must be set off against the quantitative limits which have been introduced for 1981;

Whereas these quantitative limits do not prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The importation into France of the product-categories originating in China and specified in the Annex hereto shall be subject to the quantitative limits given in that Annex and to the provisions of Article 2.

Article 2

1. Products as referred to in Article 1, shipped from China to France before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a shipment certificate proving that shipment actually took place before that date.

2. All quantities of products shipped from China on or after 1 January 1981 and released for free circulation shall be deducted from the quantitative limits laid down. These quantitative limits shall not however prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation.

3. Imports of products exported from China to France from the date of entry into force of this Regulation are subject to the double-checking system established by Article 1 of Annex V to Regulation (EEC) No 3061/79.

Article 3

Regulation (EEC) No 401/81 is hereby repealed.

Article 4

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

It shall apply until 31 December 1983.

(3) OJ No L 45, 18. 2. 1981, p. 14.
