COMMISSION REGULATION (EEC) No 2297/81

of 10 August 1981

laying down transitional measures in respect of intervention buying in of beef in Greece

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece, and in particular Article 73 (1) thereof,

Whereas Council Regulation (EEC) No 805/68 [1], as last amended by the Act of Accession of Greece, provides that the prices for beef bought in by intervention agencies are to be fixed by adjusting the intervention price by a coefficient calculated on the basis of data recorded on the representative markets of the Member States over a certain period;

Whereas Greece acceded to the Community on 1 January 1981; whereas the period for recording prices for beef on its representative markets is too short to enable the coefficients provided for in Article 6 of Regulation (EEC) No 805/68 to be fixed; whereas the derogation laid down in Commission Regulation (EEC) No 1578/81 [2] should therefore be extended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Notwithstanding Article 6 (1) and (2) of Regulation (EEC) No 805/68, the coefficients and buying-in prices provided for in those paragraphs shall not be fixed for Greece until 6 September 1981.

Article 2

This Regulation shall enter into force on 17 August 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 August 1981.
