COMMISSION REGULATION (EEC) No 244/81

of 30 January 1981

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by the Act of Accession of Greece (2), and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice (3), as last amended by the Act of Accession of Greece, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 (4), and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 (5) laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice (6), as last amended by Regulation (EEC) No 2245/78 (7), defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68 (8), as amended by Regulation (EEC) No 2764/71 (9), provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

(8) OJ No L 181, 27. 7. 1968, p. 1.
(9) OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas Regulation (EEC) No 2806/71 [1] lays down additional rules for granting export refunds for certain products processed from cereals and rice;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2·25 %, a rate of exchange based on their effective parity;

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 February 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
