COMMISSION REGULATION (EEC) No 251/81

of 30 January 1981

fixing the export refunds on isoglucose

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1111/77 of 17 May 1977 laying down common provisions for isoglucose [1], as last amended by the Act of Accession of Greece [2], and in particular the first sentence of the third subparagraph of Article 4 (2) and paragraph 5 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 4 of Regulation (EEC) No 1111/77, provision may be made for an export refund for isoglucose;

Whereas the level of the refund is to be determined per 100 kilograms of dry matter, taking account in particular of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and of the production refund which may have been granted for the basic product employed for the manufacture of products within subheading 17.02 B II a); whereas account must also be taken of the economic aspects of the intended exports; whereas, in this respect, isoglucose is a substitute for sugar, the world price for which exceeds the Community price;

Whereas the refund must be the same throughout the Community; whereas it may be varied according to destination;

Whereas the said refunds must be fixed every month; whereas they may be altered in the intervening period;

Whereas the refund is granted only in respect of isoglucose satisfying the conditions laid down in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75 [3];

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2·25 %, a rate of exchange based on their effective parity;

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying the detailed rules set out above that the refund for isoglucose should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Isoglucose,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products referred to in Article 1 of Regulation (EEC) No 1111/77 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 February 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
