COMMISSION REGULATION (EEC) No 27/81

of 1 January 1981

fixing the accession compensatory amounts applicable in the cereals sector up to 31 July 1981 and the coefficients to be used for the calculation of the amounts on processed products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece [1],

Having regard to Council Regulation (EEC) No 1/81 of 1 January 1981 laying down general rules for the system of accession compensatory amounts for cereals [2], and in particular Article 8 thereof,

Whereas, according to Article 2 of Regulation (EEC) No 1/81, the accession compensatory amounts shall be equal to the difference between the intervention prices or, in the case of common wheat, the reference prices in the Community of Nine and in Greece;

Whereas, according to Article 97 (2) of the Act of Accession, the accession compensatory amounts for processed products shall be derived from the compensatory amount for cereals to which they relate with the help of coefficients to be determined; whereas in fixing these coefficients, account must be taken of, on the one hand, the technical factors in processing and, on the other hand, the fact that the compensatory amounts apply to imports, to exports and to trade between the Community of Nine and Greece;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. The accession compensatory amounts to apply to products referred to in Article (2) of Regulation (EEC) No 1/81 during the period from 1 January to 31 July 1981 shall be as set out in Annex A hereto.

2. The following are set out in Annex B hereto:

— the coefficients referred to in Article 97 (2) of the Act;

— the accession compensatory amounts to apply to products processed from the relevant cereals for the period from 1 January to 31 July 1981.

Article 2

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1 January 1981.

For the Commission

The President
