## of 30 January 1981

## fixing the standard values to be used in calculating financial compensation in respect of fishery products withdrawn from the market during the period from 2 February to 31 December 1981

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 100/76 of 19 January 1976 on the common organization of the market in fishery products [1], as last amended by Regulation (EEC) No 3443/80 [2], and in particular Article 11 (5) thereof,

Whereas Article 11 of Regulation (EEC) No 100/76 provides for the granting of financial compensation to producers' organizations which intervene, in compliance with certain conditions, in respect of the products listed in Annex I (A) and (C) to that Regulation; whereas the amount of financial compensation must be reduced by standard values in the case of products for purposes other than human consumption;

Whereas Commission Regulation (EEC) No 697/71 [3] specifies the ways in which the products withdrawn may be disposed of; whereas the value of such products must be fixed at a standard level for each of these modes of disposal, taking into account the average receipts which may be obtained from such disposal;

Whereas on the basis of the relevant information on this value, this value should be fixed for the period from 2 February to 31 December 1981 as shown in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:
