COUNCIL REGULATION (EURATOM, ECSC, EEC) No 3017/81

of 19 October 1981

adjusting the weightings applied to the remuneration and pensions of officials and other servants of the European Communities

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing a single Council and a single Commission of the European Communities,

Having regard to the Staff Regulations of officials and the conditions of employment of other servants of the European Communities laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68 [1], as last amended by Regulation (Euratom, ECSC, EEC) No 2780/81 [2], and in particular Articles 64, 65 (2) and 82 of the Staff Regulations and the first paragraph of Article 20 and Article 64 of the conditions of employment,

Having regard to the proposal from the Commission,

Whereas, because of the appreciable rise in the cost of living which took place during the second half of 1980 in a number of countries where officials and other servants of the European Communities are employed, it was decided by Regulation (Euratom, ECSC, EEC) No 1974/81 [3] that the weightings applied to the remuneration and pensions of officials and other servants should be adjusted with effect from 1 January 1981 ;

Whereas the considerable loss of purchasing power suffered in the second half of 1980 by officials employed in countries with high rates of inflation, compared with that suffered during the same period by officials at the provisional seat of the institutions, renders it advisable to make compensation for the ensuing difference in salary ; whereas, to this end, it is advisable to fix an earlier date for the applicability of the weighting for various places of employment as adopted by Regulation (Euratom, ECSC, EEC) No 1974/81 ;

Whereas this is without prejudice to the rules governing adjustments to weightings for high inflation countries, which are to be specified in the new salaries adjustment method,

HAS ADOPTED THIS REGULATION :
