# COMMISSION REGULATION (EEC) No 31/81

**of 1 January 1981**

**amending Regulation (EEC) No 2682/77 on the recording of quotations and the fixing of average prices and representative prices for table wines, following the accession of Greece**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece, and in particular Article 73 (1) thereof,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine (1), as last amended by the Act of Accession of Greece (2), and in particular Article 4 (3) thereof,

Whereas Commission Regulation (EEC) No 2682/77 of 5 December 1977 (3), as last amended by the Act of Accession, specifies the representative markets and the minimum quantities that must be transacted for the price to be taken into consideration;

Whereas with regard to Greece, the number of quotation centres specified by the abovementioned Regulation is disproportionate to the quantity of wine marketed in that country; whereas, furthermore, the quantities for which the quotations are normally recorded on the Greek representative markets are, at the present time, smaller than those of the representative markets of the other Member States; whereas in order to permit a fair assessment of the prices on the Greek wine market, Regulation (EEC) No 2682/77 should be amended as regards the number of Greek representative markets and, during a transitional period, the quantities to be taken into consideration;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,
