COMMISSION REGULATION (EEC) No 33/81

of 1 January 1981

laying down traditional measures in respect of intervention buying in of beef in Greece

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece [1], and in particular Article 73 (1) thereof,

Whereas Council Regulation (EEC) No 805/68 [2], as last amended by Regulation (EEC) No 2966/80 [3], provides that the prices for beef bought in by intervention agencies are to be fixed by adjusting the intervention price by a coefficient calculated on the basis of data recorded on the representative markets of the Member States for a certain period;

Whereas Greece is to accede to the Community on 1 January 1981; whereas prices will be recorded on its representative markets only as from that date; whereas it will therefore be impossible to fix the coefficients provided for in Article 6 of Regulation (EEC) No 805/68 since the reference period is too short; whereas intervention buying-in prices for beef can therefore not be fixed for the first months of 1981;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Notwithstanding Article 6 (1) and (2) of Regulation (EEC) No 805/68, the coefficients and buying-in prices provided for in those paragraphs shall not be fixed for Greece for the first quarter of 1981.

Article 2

This Regulation shall enter into force on 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1 January 1981.
