COUNCIL REGULATION (EEC) No 562/81

of 20 January 1981

on the reduction of customs duties on imports into the Community of certain agricultural products originating in Turkey

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the EEC-Turkey Association Council by its Decision No 1/80 of 19 September 1980 decided to abolish the customs duties still applicable to imports into the Community of agricultural products originating in Turkey which may not yet be imported into the Community free of customs duty;

Whereas in respect of products:

(a) duties equal to or less than 2 % are to be abolished from 1 January 1981;

(b) duties of more than 2 % are to be abolished in four stages according to the following timetable:

Timetable	Rate of reduction
As from 1 January 1981	30 %
As from 1 January 1983	60 %
As from 1 January 1985	80 %
As from 1 January 1987	100 %

(c) duties reaching a level of 2 % or less during the process of tariff dismantling are to be abolished completely;

Whereas it is necessary to take measures for the initial period beginning 1 January 1981 and ending 31 December 1982;

Whereas, in the case of products for which Community rules require a certain import price to be observed, application of the tariff preference is subject to observance of the import price in question;

Whereas for certain products detailed rules of application laying down quantities or seasonal restrictions have been established by exchange of letters on 20 January 1981 [1] between the Community and Turkey, account having been taken of the interests of both parties;

Whereas the step-by-step elimination of the customs duties applied by the Community to imports originating in Turkey does not conflict with the principles and machinery of the common agricultural policy;

Whereas the elimination of customs duties by the Community, as provided for in Article 1 of this Regulation, is subject to the observance of normal conditions of competition by Turkey;

Whereas, in accordance with Article 119 of the 1979 Act of Accession, the Community has adopted Council Regulation (EEC) No 3555/80 of 16 December 1980 determining the arrangements to be applied with regard to imports into Greece originating in Algeria, Israel, Malta, Morocco, Portugal, Syria, Tunisia or Turkey [2]; whereas this Regulation therefore applies to the Community of Nine,

[2] OJ No L 382, 31. 12. 1980, p. 1.

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January 1981 to 31 December 1982, products originating in Turkey which are listed in the Annex hereto shall be admitted for importation into the Community of Nine at the levels of customs duty indicated in each case.

Where the application of a specific duty results in an *ad valorem* charge equal to or less than 2 %, no duty shall be levied.

2. In the case of products for which Community rules require a certain import price to be observed, application of the preferential tariff shall be subject to observance of the import price in question.

3. For the purposes of this Regulation, 'originating products' means products fulfilling the conditions laid down in Association Council Decision No 4/72 of 29 December 1972 annexed to Council Regulation (EEC) No 428/73 (1), as amended by Decision No 1/75 of 26 May 1975 annexed to Council Regulation (EEC) No 1431/75 (2).

The methods of administrative cooperation for ensuring that imports of the products listed in the Annex hereto benefit from the reduced customs duties shall be those laid down in Association Council Decision No 5/72 of 29 December 1972 annexed to Council Regulation (EEC) No 428/73, as last amended by Decision No 1/78 of 18 July 1978 annexed to Council Regulation (EEC) No 2152/78 (3).

Article 2

1. The reduction of customs duties by the Community as provided for in Article 1 (1) shall be subject to observance by Turkey of the normal conditions of competition defined in Articles 43 to 47 of the Additional Protocol; if a given product is found to have been the subject of dumping, of aid or of measures incompatible with the principles set out in the Articles referred to, the Community may, without prejudice to the other provisions of those Articles, reimpose the full duty on imports of that product into the Community until such time as the dumping, aids or other measures have been discontinued.

2. The procedure to be used for implementing paragraph 1 shall, by analogy, be that stipulated in Council Regulation (EEC) No 1842/71 of 21 June 1971 on the protective measures provided for in the Additional Protocol to the Agreement of Association between the European Economic Community and Turkey and in the Interim Agreement between the European Economic Community and Turkey (4), without prejudice to the procedures defined in the Articles mentioned in that paragraph.

3. In the event of disturbances or the threat of disturbances on the Community market resulting either from quantities or prices of Turkish exports of products from which customs duties have been removed, consultations shall be held in the Association Council as soon as possible, without prejudice to the application, in the event of an emergency, of measures provided for in Community legislation.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 January 1981.

For the Council
