Having regard to Council Regulation (EEC) No 3320/80 of 16 December 1980 opening, allocating and providing for the administration of Community tariff preferences for textile products originating in developing countries and territories [1], and in particular Article 4 thereof,

Whereas Article 2 (1) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling which is indicated in column 6 of Annex B, for each of the beneficiaries indicated in column 5 of the same Annex;

Whereas Article 3 (1) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, once the relevant Community ceiling has been reached;
