COUNCIL REGULATION (EEC) No 1039/82

of 26 April 1982

laying down general rules for the supply of milk fats to certain developing countries and specialized bodies under the 1982 food-aid programme

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by the Act of Accession of Greece, and in particular Article 6 (6) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament [2],

Whereas certain developing countries and specialized bodies have indicated their requirements in milk fats; whereas these fats may be supplied in the form of butter or butteroil produced within the Community and meeting certain quality standards;

Whereas the amounts available at present in the Community enable a quantity corresponding to 45 000 tonnes of butteroil to be supplied as food aid in butter and butteroil; whereas the apportionment of supplies between public and private stocks will vary depending on market trends and seasonal requirements;

Whereas in view of the situation on the Community market in butter and other butterfats, as well as the need to make certain emergency deliveries and ensure regular supplies under the most favourable economic conditions, provision should be made for these supplies to be made either by taking butter or other butterfats from stocks held by intervention agencies or by buying-in butter or butteroil on the Community market;

Whereas, in order to enable the aid to be used effectively, arrangements should be made to finance certain transport and distribution costs;

Whereas the supplies must be delivered at the cheapest possible price; whereas in order to achieve that aim, provision should be made for a tendering procedure; whereas, however, in the interests of speed it may be desirable in exceptional cases to use private contracts;

Whereas it is desirable that the rules for implementing the measures laid down for buying-in butter or butteroil on the market should be adopted in accordance with the procedure laid down in Article 30 of Regulation (EEC) No 804/68, as in the case of the rules to be applied where public stocks are used,

HAS ADOPTED THIS REGULATION:

Article 1

A quantity of butter or butteroil corresponding to 45 000 tonnes of butteroil shall be made available to certain developing countries and specialized bodies under the 1982 food-aid programme.

1. The butter referred to in Article 1 shall be purchased in accordance with Article 6 (1) of Regulation (EEC) No 804/68. The butteroil referred to in Article 1 shall be processed from this butter.

2. If the market situation is such that delivery as provided in Article 1 cannot be carried out in accordance with paragraph 1, then the supply shall be ensured by using butter or butterfats available on the Community market. Buying-in shall be done in such a way as not to disturb the normal development of prices on the market.

Article 3

For the purposes of Article 1:

(a) the cost of the butter or butteroil, delivered to the port of shipment or a corresponding stage, shall be financed by the Community;

(b) in exceptional cases, the Community may also wholly or partially finance on a decision of the Council adopted in accordance with the procedure referred to in Article 8:

— transport to the frontier of the country and, possibly, to the places of destination, and

— distribution, where the goods are distributed by a specialized body.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
