COMMISSION REGULATION (EEC) No 1093/82

of 7 May 1982

making the importation of certain textile products originating in Turkey subject to quantitative limitation

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1842/71 of 21 June 1971 [1], and in particular Article 1 thereof,

Having regard to the formal request submitted by the United Kingdom after consultation within the Advisory Committee established by Article 3 of that Regulation,

Whereas imports of textile products into the Community have given rise to market disturbance and are causing serious damage during recent years to Community producers, resulting in the closure of mills and considerable loss of employment;

Whereas, in consequence of this situation, imports of certain texile products originating in the majority of low-cost supplier countries are at present subject to a Community system of authorization and quantitative limitation;

Whereas imports into the United Kingdom of cotton cloth originating in Turkey during the first three months of 1982 have already reached 60 % of imports in 1981, which represents an increase of 2 200 % compared with the same period in 1981;

Whereas the extremely rapid increase in recent months of imports into the United Kingdom of cotton cloth originating in Turkey have helped to exacerbate the cumulative disturbance of that market;

Whereas the volume of this increase makes it necessary to take immediate action aimed at avoiding irreparable damage to United Kingdom producers and a serious deterioration in the economic situation of that region of the Community; whereas it therefore justifies the adoption, pursuant to Article 60 of the Additional Protocol to the Association Agreement between the European Economic Community and Turkey, of the protective measures needed to overcome these difficulties,

HAS ADOPTED THIS REGULATION:

Article 1

1. The importation into the United Kingdom of cotton cloth of category 2, as set out in the Annex hereto, originating in Turkey shall be subject until 31 December 1982 to a quantitative limit fixed in this same Annex.

2. The provisions of the preceding paragraph shall not apply to products which have been placed on board and are in the course of shipment to the Community before the entry into force of this Regulation.

3. All the quantities imported from 1 January 1982 are to be deducted from the quantities laid down in the Annex.

4. The entry into free circulation in the other Member States of the textile products referred to in paragraph 1 remains subject to the presentation of the import document provided for in Commission Regulation (EEC) No 2819/79 [2].
