Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions under which quantitative limitations may be established; whereas imports into France and Ireland of under garments, knitted or crocheted (category 4), originating in Egypt, have exceeded the respective levels referred to in paragraph 3 of the said Article 11;

Whereas the products in question exported from Egypt to France and Ireland between 1 January 1982 and the date of entry into force of this Regulation must be set off against the quantitative limits for 1982;
