HAS ADOPTED THIS REGULATION:

Article 1

The amount of the slaughtering premium provided for in Regulation (EEC) No 1200/82 shall be the same in all regions of the United Kingdom.

Article 2

1. The competent authorities of the United Kingdom shall specify the categories, qualities and weight limits of adult bovine animals which they regard as eligible for the premium.

2. The average weight referred to in Article 1 (2) of Regulation (EEC) No 1200/82 is hereby fixed at 460 kilograms.

3. The competent authorities of the United Kingdom shall lay down rules governing the equivalence between the slaughter weight and the live weight, taking account of the presentation of the carcase.

Article 3

1. The United Kingdom may provide that the premium referred to in Article 1 shall be granted at the time when an animal is first marketed for slaughter. The competent authorities shall inform the Commission when they make such provision.

2. Animals in respect of which the premium has thus been granted must be slaughtered within 28 days from the date on which they are first marketed. The competent authorities shall take measures to ensure that such animals are permanently marked in such a way as to rule out the possibility of a further premium being granted.

Article 4

1. The premium referred to in Article 1 shall only be granted in respect of animals born and reared in the Community and slaughtered in the United Kingdom.

Article 5

1. Beef and veal from categories of animals which are eligible in the United Kingdom shall not be bought in by intervention agencies of other Member States.

Moreover, beef and veal from animals slaughtered in the circumstances referred to in Article 4 (2) may not be bought in for intervention in the United Kingdom or benefit from the financial advantages provided for in Article 6.

2. If the meat referred to in the first subparagraph of paragraph 1 is offered for intervention in the United Kingdom, an amount equal to the premium applicable on the day of slaughter shall be deducted from the intervention buying-in price.

Article 11

Regulation (EEC) No 1380/81 is hereby repealed.
