COMMISSION REGULATION (EEC) No 1259/82

of 19 May 1982

amending for the second time Regulation (EEC) No 1536/77 determining the conditions of entry of seeds under subheadings 07.01 A I, 10.05 A, 10.06 A and 12.01 A of the Common Customs Tariff

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 97/69 of 16 January 1969 on measures to be taken for uniform application of the nomenclature of the Common Customs Tariff [1], as last amended by the Act of Accession of Greece, and in particular Articles 3 and 4 thereof,

Whereas Commission Regulation (EEC) No 1536/77 [2], as amended by Regulation (EEC) No 3038/79 [3], determines the conditions of entry of seeds under subheadings 07.01 A I, 10.05 A, 10.06 A and 12.01 A of the Common Customs Tariff,

Whereas the Common Customs Tariff annexed to Council Regulation (EEC) No 950/68 [4], as last amended by Regulation (EEC) No 1191/82 [5], covers spelt for sowing falling within subheading 10.01 A; whereas entry under this subheading is subject to conditions to be determined by the competent authorities; whereas, in order to ensure uniform application of the nomenclature of the Common Customs Tariff, provisions specifying those conditions must be laid down; whereas the Council has adopted Directive 66/402/EEC of 14 June 1966 on the marketing of cereal seed [6], as last amended by Directive 81/561/EEC of 13 July 1981 [7];

Whereas Article 16 of that Directive provides that the Council shall determine whether seeds harvested in a third country and affording the same assurances as regards their characteristics and the arrangements for their examination, for ensuring identity, for marking and for control are equivalent in these respects to seeds harvested within the Community and complying with the provisions of the Directive concerned;

Whereas the Council has so determined with regard to certain non-member countries in the case of spelt for sowing by its sixth Decision 80/818/EEC of 15 July 1980 on the equivalence of seed produced in third countries [8], as last amended by Decision 81/392/EEC of 12 May 1981 [9], and by its sixth Decision 80/817/EEC of 15 July 1980 on the equivalence of field inspections carried out in third countries on seed-producing crops [10], as last amended by Decision 81/391/EEC of 12 May 1981 [11];

Whereas it follows from the very terms in which the abovementioned subheading is drawn that products may be entered thereunder only if they have specific characteristics which make them suitable for sowing;

Whereas certain specific characteristics were prescribed by the Council when it determined that there was equivalence between the seeds in question produced in certain non-member countries and seeds of the same kind harvested within the Community; whereas the said characteristics should therefore constitute the conditions of entry under the subheading concerned;

Whereas to this end it is necessary to amend Commission Regulation (EEC) No 1536/77, as amended by Regulation (EEC) No 3038/79;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on Common Customs Tariff Nomenclature,

HAS ADOPTED THIS REGULATION:
