Whereas, as provided for in Article 11, where the increase of preferential imports of those products, originating in one or more beneficiary countries, causes, or is likely to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established once the Commission has had an appropriate exchange of information with the Member States ; whereas, for this purpose, the reference base to be considered shall be, as a general rule, 120 % of the highest maximum amount valid for 1980 ;
