COMMISSION REGULATION (EEC) No 1585/82

of 21 June 1982

fixing for the 1982/83 marketing year the minimum price to be paid to producers and the amount of production aid for certain products processed from fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Greece,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables (1), as last amended by Regulation (EEC) No 1118/81 (2), and in particular Article 3c thereof,

Whereas, under Article 3a (3) of Regulation (EEC) No 516/77, the minimum price to be paid to producers is to be calculated for the Member States other than Greece on the basis of:

— the minimum price in force during the preceding marketing year, and

— the trend in production costs in the fruit and vegetable sector;

Whereas, according to those criteria, the minimum price should be fixed at the levels set out below in the Member States other than Greece;

Whereas Article 3b of the said Regulation laid down the criteria for fixing the amount of production aid; whereas, according to those criteria, the amount of aid should be fixed at the levels set out below for the Member States other than Greece;

Whereas, as regards Greece, pursuant to Article 103 of the Act of Accession, the minimum price, adjusted to take account of the difference between the price level in Greece and the price level fixed for the other Member States, to be paid to Greek producers is to be established on the basis of prices paid in Greece to national producers , over the reference period defined in Article 1 of Council Regulation (EEC) No 41/81 (3);

Whereas, according to those criteria, the minimum price for Greece should be fixed at the levels set out below;

Whereas, as regards Greece, the said Article 103 lays down the criteria for fixing the amount of production aid;

Whereas, according to those criteria, the amount of the aid for Greece should be fixed at the levels set out below;

Whereas, because of the delay in fixing the aid and the minimum price for cherries for the 1982/83 marketing year, this Regulation should apply from the beginning of the marketing year for these products;

Whereas the Management Committee for Products Processed from Fruit and Vegetables has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:
