of 21 June 1982

adjusting the weightings applicable to the remuneration and pensions of officials and other servants of the European Communities

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing a single Council and a single Commission of the European Communities,

Having regard to the Staff Regulations of officials and the conditions of employment of other servants of the European Communities laid down by Regulation (EEC, Euratom, ECSC) No 259/68 [1], as last amended by Regulation (ECSC, EEC, Euratom) No 372/82 [2], and in particular Articles 63, 64, 65 and 82 of the Staff Regulations and the first paragraph of Article 20 and Article 64 of the conditions of employment,

Having regard to the method for adjusting the remuneration of officials and other servants of the Communities, adopted on 15 December 1981,

Whereas, in certain countries where the increase in the cost of living was particularly high, the adjustments should be made with effect from 1 or 16 November 1981, as the case may be;

Whereas the weighting for the Lebanon should be adjusted retrospectively in line with statistics which have now become available for that country,
