COMMISSION REGULATION (EEC) No 2051/82

of 27 July 1982

amending Regulation (EEC) No 3573/81 as regards the export of ash and residues of copper and copper alloys

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas [1], and in particular Article 2 thereof,

Whereas, under Council Regulation (EEC) No 3568/81 [2], exports of ash and residues of copper and copper alloys were made subject to a Community quantitative export quota ; whereas this quota was allocated among the Member States by Commission Regulation (EEC) No 3573/81 [3] ;

Whereas an examination of the market in the Community for the products in question and a study of exports since the beginning of 1982 would indicate the need to amend the allocation of the quota among the Member States for the remainder of 1982 ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Quota Administration Committee,

HAS ADOPTED THIS REGULATION :

Article 1

Article 1 of Regulation (EEC) No 3573/81 is hereby amended as follows in respect of the allocation of the Community quantitative export quota for ash and residues of copper and copper alloys among the Member States :

(tonnes)

CCT heading No	Description	Quantity
