Having regard to Council Regulation (EEC) No 3601/81 of 7 December 1981 applying generalized tariff preferences for 1982 in respect of certain industrial products originating in developing countries (1), and in particular Article 12 thereof,

Whereas, as provided for in Article 10 of that Regulation, as soon as the individual ceilings in question are reached at Community level, the levying of customs duties on imports of the products in question originating in each of the countries and territories concerned may at any time be re-established;
