COMMISSION REGULATION (EEC) No 2168/82

of 4 August 1982

determining for the Member States the loss of income and the level of the premium payable per ewe for 1981/82 and amending Regulation (EEC) No 2483/81

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat [1], as last amended by Regulation (EEC) No 1195/82 [2], and in particular Article 5 (2) and (8) thereof,

Whereas Article 5 (1) of Regulation (EEC) No 1837/80 provides for the granting of a premium to sheepmeat producers; whereas the estimated level of that premium was calculated at the beginning of the marketing year on the basis of the foreseeable loss of income by Commission Regulation (EEC) No 2483/81 [3];

Whereas, pursuant to Article 5 (2) and (5) of Regulation (EEC) No 1837/80, the estimate of the loss of income and of the amount of the premium payable per ewe are to be revised at the end of the marketing year; whereas, moreover, paragraph 3 of the said Article provides for limitation of the loss of revenue calculated by subtracting from the total amount referred to in paragraph 2 of the said Article the total amount of the premium granted pursuant to Article 9 of the same Regulation;

Whereas, in regions others than 4, 5 and 6 no loss of income was found during the 1981/82 marketing year;

Whereas Regulation (EEC) No 2483/81 fixed the data concerning gross domestic production of sheepmeat in the various regions of the Community; whereas the data relating to gross domestic production for the United Kingdom should be brought up to date;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sheep and Goats,
